Brand and marketing designer with 5+ years of experience across agency, in-house and consultancy environments in Australia, the UK and India. I have delivered campaigns, brand identities and digital content for global brands including Amazon, JBL, Harman Kardon, Pfizer, AstraZeneca and GSK, as well as Australian and international clients such as Emma Sleep and MotherCow Dairy. I own projects from brief to final print and digital delivery, and I thrive on high volumes, tight deadlines and regulated content. My skills extend into UI/UX, motion graphics and AI-powered design workflows, so I bring a versatile, modern approach to every brief.
